
Description pane

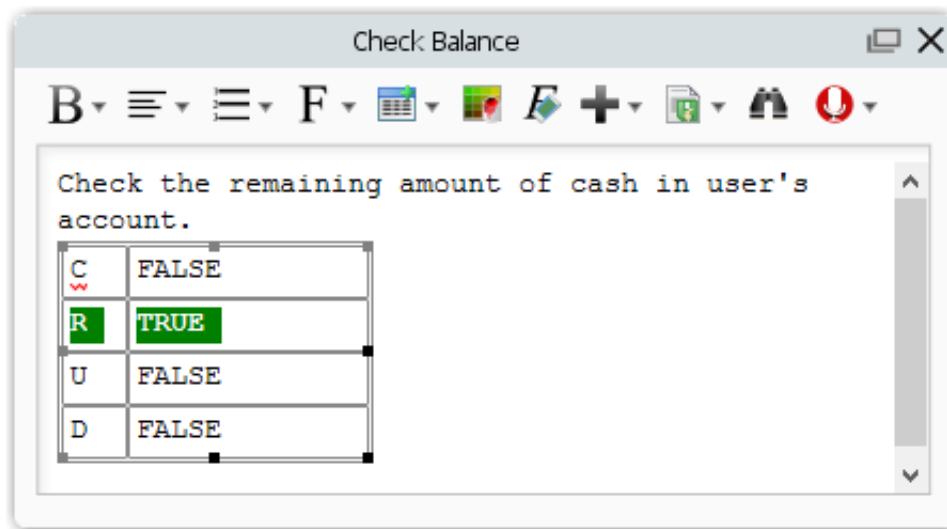

Description Pane enables you to document project data such as model elements, shapes or diagrams either in written or verbal form. For written content, it can be a plain text or HTML text with formatting like bold, italic, font color, etc.

Opening and closing the Description Pane

Description Pane can be opened by clicking on Description button at the bottom right corner of the status bar. To close it, either click the same button again or press the **X** button at the top right corner of the **Description Pane**.
